

Easter Countdown

Cut out each strip. Choose 7 activities that fits your situation, or make up your own activity.

Fold each strip and place one in each egg. You should have 7 eggs.

Place all 7 eggs in a basket in your desired location.

Each day, starting 8 days before Easter, open one egg and do the activity found inside.

Have fun counting down to the days to Easter!

Thanks for visiting fivelittlechefs.com!

Get a bag of jelly beans and have a jelly bean hunt.
